

# Microsoft Dynamics Advantage Plan

Get more benefit from your solution, help your employees, and improve your investment value.

In your competitive business environment, every minute counts. That's why you need a service plan that has the right tools and resources to keep you moving ahead, like our one-on-one expert technical support offered by the Microsoft Dynamics Advantage Plan.

The Advantage Plan delivers valuable services and support through all stages of your solution's life cycle. Whether you're in the first year or well beyond that, it has the tools you need to keep employees working efficiently, systems running smoothly, and costs under control.

The Advantage Plan gives you continuous software updates to keep your solution at its peak performance. Access to the CustomerSource online portal also means quick resolution to your issues through expert forums, Knowledge Base articles, and documentation. Keep your team up to speed and ready to tackle any issue.

Need a little extra help? The Advantage Plan includes all the valuable benefits of the Enhancement Plan and more. Expert 1:1 technical support helps you face challenges head-on, and rapid response times for critical incidents get you back to business faster.

Get the most from your Microsoft Dynamics investment, including top-quality expertise and support from Microsoft. Read on for details about Advantage Plan benefits, as well as contact information to help you stay connected.

Disaster Recovery

# Advantage Plan

Benefits	Features
<p><b>Get Maximum Solution Value</b></p> <p>Stay ahead with new version rights, updates, hotfixes, and regulatory updates.</p>	<ol style="list-style-type: none"> <li>1. New version rights: Stay ahead of technology advances through new version rights and updates. Increase your organization's speed, performance, and productivity.</li> <li>2. Updates and regulatory releases: Help ensure the ongoing value of your Microsoft Dynamics solution by staying up-to-date and running at peak performance with service packs and hotfixes through the Mainstream or Modern Support phase. You will also have access to new government regulatory and tax documents, and updates to help your organization stay legally compliant.</li> </ol>
<p><b>Gain Predictability and Flexibility</b></p> <p>Protect your investment from future list price fluctuations and transition easily to a new model, product, or edition.</p>	<ol style="list-style-type: none"> <li>3. Protected List Price: Shield yourself from price fluctuations, provide more accurate predictability to budgeting for service plan renewal year after year, and protect your system list price as the basis of future renewals.</li> <li>4. Transition Investment Credit: Easily transition from one Microsoft Dynamics license model, product line, or edition while protecting your original investment if your business changes or grows. Alternatively, transition to the cloud with transition pricing as a key benefit.</li> <li>5. License Mobility: Enables you to deploy certain server application licenses on-premises by assigning your existing license to an authorized service provider's server farm.</li> <li>6. Back-up for Disaster Recovery: Provides licensing for backup servers dedicated to disaster recovery. Permits quarterly patching and testing as well as ongoing virtual machine replication from production servers to backup/disaster recovery servers.</li> <li>7. Microsoft Support Lifecycle policy: Rely on Microsoft support of the version of Microsoft Dynamics you are using for up to 10 years and beyond for Fixed Support Lifecycle policies, and as long as you remain current on plan for Modern Support Lifecycle policies. For more information, visit <a href="http://support.microsoft.com/lifecycle">support.microsoft.com/lifecycle</a>.</li> </ol>
<p><b>Get Fast, One-On-One Issue Resolution</b></p> <p>Gain direct access to Microsoft technical support staff and CustomerSource, a centralized resource for self-directed support, tips, community-based learning, expertise, and services.</p>	<ol style="list-style-type: none"> <li>8. Problem resolution support: Get the help you need, when you need it, from Microsoft Dynamics Support experts. Receive six annual support incidents with a three-hour response time, so you can get the answers to your support questions and get back to business.</li> <li>8. Managed community and support forums in the Microsoft Dynamics Community: Exchange ideas, ask questions, and discuss solutions with your peers. Support engineers will respond to posts that are unanswered by the community after two business days. Take advantage of the tens of thousands of technical articles written by Microsoft Dynamics support engineers.</li> <li>9. Access to CustomerSource: Drive user adoption and help employees boost productivity by accessing tools and resources 24 hours a day through this unique, online portal designed specifically for our customers. Take advantage of self-directed support, easy access to Knowledge Base, and troubleshooting steps to help you solve issues quickly, unleash new functionality, and improve business processes.</li> </ol>
